JUDSON
COLLEGE

Find out for yourself. Plan a visit.

One thing our students say over and over again is that once they stepped onto Judson's campus in Marion, Alabama, they immediately felt at home. At Judson they found a college different from the rest: a close-knit, Christ-centered community where they were known and empowered to be the best versions of themselves—for the glory of God and the good of others.

Below are some important dates on our 2016-2017 calendar.
