Dear Parents,

At THS, we are continuously looking for ways to improve student performance by finding creative ways to provide additional resources that can enhance our students' ability to achieve at high levels. One of the most important indicators of success in post-secondary settings is a student's ACT score. This summer, in addition to our Summer Learning Program, we will be conducting two ACT Boot Camps...one will take place ahead of the June 12th administration of the ACT, and the second Boot Camp event will take place ahead of the July 17th administration of the ACT. These opportunities normally come with a pretty hefty price tag...usually several hundred dollars per student. We will be offering these for THS students free of charge! In addition to that, **for students who agree to attend all sessions of the THS ACT Boot Camp of their choice, we will pay their ACT registration fee as well!** In order to take advantage of this incentive, students and parents will have to sign an agreement which states that they agree to reimburse THS for the full price of registration if the student fails to attend all sessions. The deadline for registration for the June 12th ACT is Friday, May 7th. Students who wish to take advantage of this opportunity will need to sign up in the front office this week, and will be assisted with online registration by THS Staff in order for the registration fee to be paid by THS. We are not able to reimburse students who pay out of pocket, so it's imperative that they register through the THS office so we can use the school account to cover the registration fee. Please see the dates and deadlines below...
