Beginning with first time 9th grade students in the 2020-2021 school year.

Math graduation requirements:

Regular Diploma Math Pathway

1. 9th grade Geometry with Data Analysis
2. 10th Grade Algebra I with Probability
3. 11th Grade Algebra II with Statistics
4. Grade 12 Specialized Course

**\*These changes are not reflected in Board Policy at this time, but will be amended in the near future. These are statewide math curriculum changes that will go into effect starting in the 2020-20201 school year.**

# New Math Curriculum for SY 2021 and SY 2022 Diploma with Advanced Endorsement

Advanced Academic Endorsement Math Pathway for first time 9th grade students in the 2020-2021 and 2021-2022 school years:

1. 9th Grade - Advanced Geometry with Data Analysis and Advanced Algebra I with Probability taken freshman year (Fall and Spring)
2. 10th Grade Advanced Algebra II with Statistics
3. 11th Grade - Precalculus
4. 12th Grade - Approved AP Class, Dual Enrollment, Calculus, or other approved class

**\*These changes are not reflected in Board Policy at this time, but will be amended in the near future. These are statewide math curriculum changes that will go into effect starting in the 2020-20201 school year.**

# New Math Curriculum for SY 2021 and SY 2022 Diploma with Advanced Endorsement

Advanced Academic Endorsement Pathway for 9th Grade students in the 2022-2023 school year.

Students must have taken the 7th and 8th grade accelerated math courses to satisfy the Algebra I with Probability credit or they can take Advanced Algebra I with Probability and Advanced Geometry with Data Analysis in the 9th grade.

1. Advanced Geometry with Data Analysis (must have Advanced Algebra I w/Probability if they've not had it in 7th/8th grade)
2. Advanced Algebra II with Statistics
3. Precalculus
4. Approved AP Class, Dual Enrollment, Calculus, or other approved class

**\*These changes are not reflected in Board Policy at this time, but will be amended in the near future. These are statewide math curriculum changes that will go into effect starting in the 2020-20201 school year.**

# Steps for the Registration Process

1. Discuss your options with your parents.
2. Mark your choices on your form and have parents/guardians sign the form.
3. Go into your Home Portal and choose your selections (This is very important.)

**\*This form must be returned. You can return the registration form by one of the following means:**

4. Scan the document or take a picture and send a copy of the form back to me through email. ([tbrasell@thomasvilleschools.org](mailto:tbrasell@thomasvilleschools.org))
5. Mail the document to: Thomasville High School, Attn: Tammy Brasell, 777  
Gates Drive, Thomasville, AL 36784
6. Drop the document by the school on Mondays or Thursdays from  
1:00 -2:00 pm.

# How to scan a document using an iPhone:

1. Go to your “notes” application
2. Create a new note
3. Go to the camera icon
4. Select “scan document”
5. Take pic of document
6. Select “keep scan”
7. Select “save”
8. Email document to [tbrasell@thomasvilleschools.org](mailto:tbrasell@thomasvilleschools.org)
