Thomasville High School

Registration for School Year 2020 - 2021
Go to [www.thomasvilleschools.org](http://www.thomasvilleschools.org) and select Parents:
Select the Link – iNow Home Portal:
Enter the students username and password and then select Login:
Your screen should look like this:
Select the School/Academic Session
Thomasville High School 2020-2021:
On the Left side of the screen under Student Information, you will Select Requests and then the Add link on the right:
Your screen will look like this:
Key in the course number from the registration form or either the course name and select search:
Example: English 9
Select the box to the left of the course and make sure a check mark is showing. You will then select Add on the right side of the screen.
This is what your screen will look like when you have selected your course. The course status will read Pending until administration from Thomasville High School approves the course.
When you have chosen your courses your screen will look like this. Please select 4 core and at least 5 electives of your choice.
